

# Students:

## How to Prep for my Test

### Pre-Test Checklist:

- ☐ Want to write your test?
  - ☐ You must sign up for a Top Hat account or Login to your existing Top Hat account
    - ☐ How to sign up?  
<https://support.tophat.com/s/article/Student-Creating-Your-Account>
    - ☐ Forget your login?  
Contact Top Hat Support immediately (they're awesome)  
<https://support.tophat.com/s/contact-main>
- ☐ Using your computer for the test?
  - ☐ Make sure Chrome or Firefox is the browser being used for the test
- ☐ Using your phone for the test?
  - ☐ Make sure you have the most up to date version of the Top Hat app
  - ☐ Know your login credentials

### What to expect day of:

Whether you are using your computer or mobile app, follow these steps:

1. Log into Top Hat
2. Go to the Assigned tab
3. Once your professor starts test, it will appear there

Tip: Before Test starts, if you are able to log in successfully and enter your course without being prompted to pay for anything - you are good to go!
